

**FREE 12-WEEK COURSE: STARTING WEDNESDAY FEBRUARY 4<sup>th</sup>, 2026**

## **The Rule of Law: Power, Authority, and Accountability**

***How Legitimate Government Is Formed, Exercised, and Forfeited***

**Have you ever wondered:**

- What *law* really is, and what it is not?
- Where government gets its authority, and where it doesn't?
- Why so much power today feels disconnected from justice?
- How ordinary people are meant to hold power accountable?

This course answers those questions from **first principles**, not politics.

**Presented by Common Law Academy      Hosted by WeThePeople2.us**

A **FREE** 12-week beginner course for adults who want clarity, confidence, and lawful understanding, not slogans or soundbites.

You will learn:

- Why law exists before government
- Why are rights not granted, only secured
- The difference between power and authority
- How delegated power works, and when it becomes usurpation
- Why unlawful acts are void from the beginning
- How the hierarchy of law actually functions
- Lawful, non-violent ways to respond to unlawful power

No prior legal background required.
